

Delock Keystone Module SC Simplex female to SC Simplex female with laser protection flip inside

Description

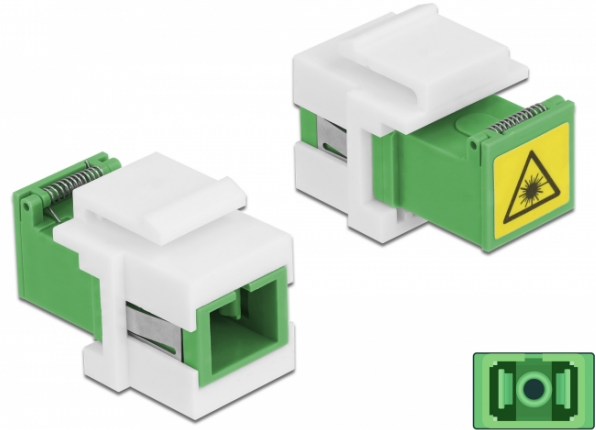

This Keystone module with SC Simplex coupler by Delock can be used to connect two optical fiber male connectors to each other. It is suitable for mounting in e.g. Keystone patch panels, face plates or surface-mount boxes.

Protection against laser radiation

The integrated flip on the coupling ensures protection against laser radiation.

Protection by dust cover

The coupling is equipped with an appropriate cap to protect the sleeve from dust and to keep it clean.
