

# Why Buy Gold When You Can Get Silver for Free?

Until September 30, buy a Certifier40G™ and get three years of services.

Own the world's most advanced cable tester, complete with calibrations! For a limited time, buy a Viavi Solutions® Certifier40G and receive a SILVER-3 support plan: repairs, calibrations, priority service, and Technical Assistance Center (TAC) benefits.

Whether certifying copper or fiber, Certifier40G users will get the job done right and on time—the first time!

- Certify a CAT6A cable within 9 seconds, saving 30 minutes each time you test 150 CAT6A cables\*
- CAT8 ready with a 2.5 GHz test frequency range
- Lowest cost of ownership of any cable certifier on the market
- Certify Tier 1 multimode, single-mode, and multimode MPO fiber in less than 6 seconds
- Perform automated pass/fail end-face analysis for all fiber types (with optional p5000i probe microscope)
- Revolutionary Touch<sup>2</sup> design: complete test visibility at both local and remote ends

\* Time savings is based on CAT6A cable testing with other manufacturers' cable certifiers.
