

Cable Duct PVC flexible 30 x 10 mm - length 2 m brown

Description

This cable duct by Delock can be used to lay and bundle cables, electrical tubes or wires to protect them from dirt or damage and to ensure a clear and orderly cable routing.

Quick mounting and high flexibility

The cable duct comes with pre-applied adhesive tape on the underside, allowing for easy and hassle-free installation on the floor. The flexible PVC material also ensures a high level of flexibility.

Plenty of space for different cables

Depending on the diameter and thickness of the individual cables e.g. antenna cables, HDMI cables, audio cables or power cables can be accommodated. Thus the cables are safely and orderly stowed away.

Cuttable

The length of the cable duct can be shortened individually with the scissors.

Item no. 20763

EAN: 4043619207633

Country of origin: China

Package: Poly bag

Technical details

- Self-adhesive
- Cable entry opening: ca. 12.0 x 7.8 mm
- Reusable
- Flexible
- Individually shortenable
- Material: PVC
- Colour: brown
- Dimensions (LxWxH): ca. 2000 x 30 x 10 mm

Package content

- Cable duct
