

Delock 19" Cable Management Routing Panel with 4 openings 2U black

Description

This routing panel by Delock is suitable for installation in a 19" network cabinet.

Proper laying of cables

The network cables are simply routed from the front to the rear, so the view of the cables inside the network cabinet is blocked and the network cabinet leaves a tidy overall impression.

Removable cover for optimal cable management

The removable front panel hides open cables and protects them from damage.

Horizontal openings

On the rear side, the panel is equipped with four openings to allow easy cable access.
